about building an empire to stand the test of time, and the Rise and Fall expansion brings new choices, strategies, and challenges for players as they guide a civilization through the ages.

Sid Meiers Civilization VI (v1.0.12.9)

Civilization is a series of turn-based strategy video games, first released in 1991. Sid Meier developed the first game in the series and has had creative input for most of the rest, and his name is usually included in the formal title of these games, such as Sid Meier's Civilization. There are six main games in the series, a number of expansion packs and spin-off games, as well as board games ...

Sid Meier's Civilization | Civilization Wiki | Fandom

This game exists because Activision and Microprose could not agree on the origins of the board games' 'Civilization' trademark. This was Activision's first time making a Civilization game, and they did it without the direction or even input of Sid Meier, Jeff Briggs or any of the other brains behind the franchise.. The result was a mess where Activision threw everything and the kitchen ...
