I thought I was crazy always imagining myself as a general going into battle, I realize now I was and will always be a Princessa. although Mrs Rubin took too long time to get to the meat of this issue, this book is a must have for every woman.

lovers, mothers,  
bosses, or competitors,  
"The Princessa" is  
a guide for the woman

While women have  
been socialized to  
avoid conflict, to  
be peacemakers,  
caretakers, and  
nurturers, Rubin shows  
how those  
very skills--sensitivity,
