User Guide# The User Guide covers all of pandas by topic area. Each of the subsections introduces a topic (such as “working with missing data”), and discusses how pandas approaches the problem, with many examples throughout. Users brand-new to pandas should start with 10 minutes to pandas.

User Guide — pandas 1.3.5 documentation

Understanding Margin – Buying Stock vs. Selling Options. Margin can be used in a couple of very different ways. First, you can buy stock on margin, or purchase more shares than you literally have the cash for. This is basically a loan from your broker (which your broker will charge you interest for).. You can't, however, purchase options on margin - call or puts - as options are non-margihable ...
