Vauxhall Astra battery charging system dashboard warning light Battery charging system. The Vauxhall Astra battery charging system illuminates a red light when the ignition is switched on and extinguishes shortly after the engine starts. If the light illuminates whilst the engine is running, stop the car and switch the engine off as the car battery is not charging.

Vauxhall Astra Dashboard Warning Lights and Meanings

The Vauxhall Cavalier is a large family car that was sold primarily in the UK by Vauxhall from 1975 to 1995. It was based on a succession of Opel designs throughout its production life, during which it was built in three incarnations. The first generation of Cavalier, launched in 1975 and produced until 1981, was based on the existing Opel Ascona and Opel Manta with a few minor visual differences.
