Why We Need Friends, According To A Scientist | The FADER
The degree to which we use energy has far-reaching consequences. For example, the simple act of driving to work uses fuel that is ultimately tied to both international conflict and global climate change. The success of modern civilization is fundamentally linked to our ability to harness energy, primarily in the form of fossil fuels like oil, coal, and natural gas. As shown in Figure 1, ...

Why We Need Sustainable Energy - Science in the News
However, we can easily see that there are some severe consequences of such a New World Order, both from an economic and a religious standpoint (Romans 13:1-7; Acts 5:29). The problem with the acceptance and approval of any New World Order is that no government has ever offered, nor will it ever offer, real hope and peace for mankind.

Question: "What will be the purpose of the walls around the New Jerusalem?" Answer: Beginning with Revelation 21:9, John records his final vision picturing the city of God, the New Jerusalem where believers in Christ will spend their eternal lives. The New Jerusalem is the ultimate fulfillment of all of God's promises.
