List Of Engineering Courses Diploma - 2020

Accordingly, engineering studies are now divided in two parts: first, the bachelor's degree (baccalaureus, three to four years) and the second optional part (one to two years), after which either the traditional engineer's degree or a master's degree (e.g. MEng or MSc) is awarded. These can often, however, still be combined into a single 'integrated' degree programme in many countries, normally lasting five or six years (although only four years in England, Wales and Northern Ireland).

Engineer's degree - Wikipedia
