The final reading and adoption of the revised social studies standards occurred during the state board's July 28, 2017 meeting, and the revised social studies standards will be implemented in the 2019-20 school year.

Social Studies Standards - Tennessee State Government - TN.gov

The final year of middle school, eighth grade is a time of transition and preparing students for high school. Eighth-grade students will spend their last year of middle school building on what they learned as sixth- and seventh-grade students, strengthening any areas of weakness, and digging into more complex coursework as they prepare for high school.

Eighth grade (or grade eight in some regions, equivalent to Year 9 in England and Wales) is the eighth post-kindergarten year of formal education in the US. The eighth grade is the ninth school year, the second/third/fourth and final year of middle school, the second and/or final year of junior high school, and comes after 7th grade. Usually, students are 13–14 years old in this stage of ...

Social Studies As with science, most colleges expect to see only 3 years of social studies credit, so there is no standard course of study for 12th-grade social studies. Students may be interested in elective courses that fall under the category of social studies such as psychology, sociology, anthropology, geography, world religions , or theology.

In the social sciences, triangulation refers to the application and combination of several research methods in the study of the same phenomenon. By combining multiple observers, theories, methods, and empirical materials, researchers hope to overcome the weakness or intrinsic biases and the problems that come from single method, single-observer, and single-theory studies.
