A Capitalism for the People - Wikipedia

Capitalism is defined as an economic system in which a country's trade, industry, and profits are controlled by private companies, instead of by the people whose time and labor powers those...

What "Capitalism" Is and How It Affects People | Teen Vogue

"A Capitalism for the People is a wise, deep, and timely book. With lively prose, Zingales diagnoses what is right and wrong with the U.S. economy. Whether your political sympathies lie with the Tea Party, Occupy Wall Street, or someplace in between, you will learn much about how we can best promote an economic future that works for all of us."

Through capitalism, you have the power to empower others to build wealth and create a good life for themselves. And as the cycle continues, they will help others to do the same. Capitalism is ultimately the empowerment of people. Therefore, your success is measured not by the money you make, but by the people you uplift along the way.

Capitalism: The Empowerment of the People - Financial ...

In capitalism, owners control the factors of production and derive their income from it. Capitalism incentivizes people to maximize the amount of money they earn through competition.

Competition is the driving force of innovation as individuals create ways to accomplish tasks more efficiently.

...

Capitalism is an economic system. In it the government plays a secondary role. People and companies make most of the decisions, and own most of the property. Goods are usually made by individuals who work for companies that produce the goods. The companies then sell what is made by the individuals and make a profit. The means of production are largely or entirely privately owned (by individuals ...
