1. Check for defects ASAP before commencing any renovation work. Whether you are moving into a new BTO flat or a resale apartment, always make sure to check for defects before commencing any renovation work, to avoid disputes over which party is responsible should an issue or a defect surface midway through your renovation works. The earlier you finish the defects reporting and rectification, the earlier you can start your renovation!

The Essential Guide to Renovating a Heritage Building

Renovating a property may make especially good sense for a
landlord who is likely to see increased rental income or an
increase in the capital value of the property as a result. The
potential availability of grants, loans and VAT discounts on the
renovation of homes that were previously standing empty may
offer further financial incentive.
