A History Of Samos 800

Samos is a Greek island in the eastern Aegean Sea, south of Chios, north of Patmos and the Dodecanese, and off the coast of western Turkey, from which it is separated by the 1.6-kilometre-wide Mycale Strait. It is also a separate regional unit of the North Aegean region, and the only municipality of the regional unit. In ancient times Samos was an especially rich and powerful city-state, particularly known for its vineyards and wine production. It is home to Pythagoreion and the Heraion of Samo

'This comprehensive study of Samian history is a work long overdue. The author skilfully reconstructs in great detail, social and economics trends as well as political and military events. A History of Samos 800-188 BC is a welcome addition to this neglected part of Greek history.' Heather Reeday, The Greek Gazette 'This book needs no introduction to professional Samian scholars.

A History of Samos, 800-188 BC (Book, 1987)

[WorldCat.org]

Samos was first occupied in the Neolithic period, and a late Bronze Age presence is attested by Mycenaean remains. Carians followed next in the 10th century BCE. The Greeks themselves recorded that in the Archaic period colonists arrived from Ionia. According to Thucydides those settlers themselves had originally come from Attica.

Samos - Ancient History Encyclopedia

Sámos, Greek island in the Aegean Sea, the closest one to the mainland of Asia Minor, from which it is separated by the narrow Sámos Strait. The island is wooded and mountainous; Mount Kerketeus, the highest peak (4,701 feet [1,433 metres]), forms the western tip of the island. The east coast is

Sámos | island, Greece | Britannica

The Samoan Islands were first settled some 3,500 years ago as part of the Austronesian expansion. Samoa's early and more current history is strongly connected with the histories of Tonga and Fiji, which are in the same region, and with whom it shares historical, genealogical, and cultural traditions. Samoa gained its independence from New Zealand in 1962 after more than a century of foreign influence and domination European exploration first reached the islands in the early 18th century. Louis-A
