Flour Babies Anne Fine

Flour Babies is a day school novel for young adults, written by Anne Fine and published by Hamilton 1992. It features a group "science experiment" in a classroom full of poor students. "When his class of underachievers is assigned to spend three torturous weeks taking care of their own "babies" in the form of bags of flour, Simon makes amazing discoveries about himself while coming to terms with his long-absent father. Many year 6 students will do this project to teach them about ...

Flour Babies - Wikipedia

Although the main protagonist of Anne Fine's Flour Babies (opinionated and often rather annoying and careless teenager Simon Martin) really and majorly despises school work, he does nevertheless and grudgingly accept his assignment of having to take home a large bag of flour and then look after and take care of said bag like a baby, like a newborn infant (well in Flour Babies, the take-home project uses bags of flour, while other similar types of school projects have and even in ...
