Sentencing Table | United States Sentencing Commission

Abolitionist in Practice. Countries which retain the death penalty for ordinary crimes such as murder but can be considered abolitionist in practice in that they have not executed anyone during the past 10 years and are believed to have a policy or established practice of not carrying out executions.

Abolitionist and Retentionist Countries - Death Penalty Information Center

Risk-based sentencing regimes use an offender's statistical likelihood of returning to crime in the future to determine the amount of time he or she spends in prison. Many criminal justice reformers see this as a fair and efficient way to shrink the size of the incarcerated population, while minimizing sacrifices to public safety.
