Minority Accommodation Through Territorial And

Others argue that mere toleration of group differences falls short of treating members of minority groups as equals; what is required is recognition and positive accommodation of minority group practices through what the leading theorist of multiculturalism Will Kymlicka has called “group-differentiated rights” (1995).

Multiculturalism - Stanford Encyclopedia of Philosophy

The right of a people to self-determination is a cardinal principle in modern international law (commonly regarded as a jus cogens rule), binding, as such, on the United Nations as authoritative interpretation of the Charter’s norms. It states that peoples, based on respect for the principle of equal rights and fair equality of opportunity, have the right to freely choose their sovereignty and ...

A citizen is a member of a political community who enjoys the rights and assumes the duties of membership. This broad definition is discernible, with minor variations, in the works of contemporary authors as well as in the entry “citoyen” in Diderot’s and d’Alembert’s Encyclopédie [1753]. [] Notwithstanding this common starting-point and certain shared references, [] the differences ...

Minority governments at the provincial level have become more common since the 1980s. Electoral reform through the adoption of a proportional representation system was the subject of provincial referenda in Prince Edward Island (2005); Ontario (2007); and twice in British Columbia (2005 and 2009). All fell short of the required voter support.

nation-state, a territorially bounded sovereign polity—i.e., a state—that is ruled in the name of a community of citizens who identify themselves as a nation. The legitimacy of a nation-state’s rule over a territory and over the population inhabiting it stems from the right of a core national group within the state (which may include all or only some of its citizens) to self-determination.
