[Book] Montane Alpine Guide Jacket

The Montane Alpine Equaliser jacket is the smart choice for anybody who loves scrambling and climbing. by Outdoors Magic. 11th May 2017. Share. If you're mountaineering, climbing, or just being active outdoors, a good softshell jacket is a great thing to have in your wardrobe. Usually less heavy, less bulky and less expensive than a full-blown waterproof hardshell, they'll nonetheless offer a degree of protection against the elements.

Montane Alpine Equaliser Jacket | Review - Outdoors ...

The Montane Ice Guide is a well featured and very warm jacket intended as a climbing or belay jacket for winter conditions. In our testing we found the Ice Guide to be not simply warm, but also excellent in fit, and full of quality design touches. At the heavier end of the weight spectrum in this review, the Ice Guide competes with the other warm jackets like the Patagonia DAS Parka.
