Expressionism: Updated Questions Expressionism is a difficult movement to define since we consider that most artists are trying to express something. As a result, the first thing you need to do is accept the idea that the expressionist movement is about something more than the act of expressing something.

Expressionism: Questions to think about

In German literature: Expressionism. German Modernism emerged from turn-of-the-century Aestheticism. Like European Modernism as a whole, German Modernism was in fact a cluster of different literary movements, including Expressionism, Neue Sachlichkeit ("New Objectivity"), and Dada. Of these, Expressionism is the best known and most important.
