No Easy Way Out Safety

No Easy Way Out is a book written by Dayna Lorentz. It is the sequel to the first book no safety in numbers. No easy way out is about a bunch of people trapped in a mall with a deadly flu virus. The government has put the senator in charge of the mall and it has some tough calls to go with it.

No Easy Way Out (No Safety in Numbers, #2) by Dayna Lorentz

As with NO SAFETY IN NUMBERS, NO EASY WAY OUT also covers a week's worth of the quarantine: in this case, days 7 through 14. However, Lorentz breaks with the structure she introduced in the first book: sections are divided by day, chapters by time period, with shifting character perspectives throughout.

I read the authors first book in this series "No Safety in Numbers" which I enjoyed so I had to buy and read "No Easy Way Out." These books give you insight into how one potential terror attack may be dealt with by the participants and the government. The characters have dimension, the action keeps you engrossed and the book is fun. Enjoy the read.
