It has a greater emphasis on guided learning and helping students get the most out of all of the resources available, including new mobile learning ...

Bittinger, Beecher & Johnson, Algebra ... - Pearson

One of the hallmarks of the Bittinger Developmental Math program is objective-based learning. In Elementary and Intermediate Algebra: Graphs and Models, Fifth Edition, the authors place special emphasis on conceptual understanding, modeling, and visualization. Their goal is to help students "see the math" and learn algebra by making connections between the math and real-world applications.
