Slavery In America And The

Slavery in the United States was the legal institution of human chattel enslavement, primarily of Africans and African Americans, that existed in the United States of America from its founding in 1776 until passage of the Thirteenth Amendment in 1865. Slavery was established throughout European colonization in the Americas.

Slavery in the United States - Wikipedia

Slavery in the United States. Black slaves played a major, though unwilling and generally unrewarded, role in laying the economic foundations of the United States—especially in the South. Blacks also played a leading role in the development of Southern speech, folklore, music, dancing, and food, blending the cultural traits of their African homelands with those of Europe.

African Americans - Slavery in the United States | Britannica

Slavery In America summary: Slavery in America began in the early 17th Century and continued to be practiced for the next 250 years by the colonies and states. Slaves, mostly from Africa, worked in the production of tobacco crops and later, cotton. With the invention of the cotton gin in 1793 along with the growing demand for the product in Europe, the use of slaves in the South became a ...
