Many people are really disappointed to see such garbage in our paper and feel the editor should put a stop to the horrible letters stirring up racial conflict, raking over ancient history. Gloom and doom is also in there like a broken record. Let's be more careful and love one another like we should.

She waded on through the brook as the cow moved away, and listened to the thrushes with a heart that beat fast with pleasure. There was a stirring in the great boughs overhead. They were full of little birds and beasts that seemed to be wide awake, and going about their world, or else saying good-night to each other in sleepy twitters.

Explore the poem. The “Thought Fox” is a poem about the creative process and specifically about writing a poem. The first stanza locating the poem late at night in the writer’s study suggests near silence through gentle, hushed “m” sounds whilst if you have read William Blake’s poem ‘Tyger’ you may hear echoes of Blake’s poem in the first line.
