Test and Measurement Equipment | Tektronix

Dave suggests you buy an old analog oscilloscope off of eBay, sticking with the major brands. Easy enough. But I've noticed some of the ones I find more desirable, like the Tektronix 2337, that upon reading some experiences from users it seems they're more difficult to work on or repair because they used a lot of custom parts.

Tektronix 2336 Analog Oscilloscope for sale online | eBay

Hi, all, I bought an analog Tektronix 2336 YA scope off of vendor a few days back. Almost everything appears to be fine with it (i.e. horizontal beam, visible CAL square wave, etc.) as far as I can tell, as this is my first scope. However, when I try adjust the beam vertically on the screen, I can only get it to go about halfway up the screen.
