About — Danny Gregory

Today's session is a meditative practice to make you feel calm and centered. All you need is a pen, some paper, and something organic, complex and random to draw. Danny will explain what that means in the video. Today's lesson is from the course: "Seeing". More here. Join us on Facebook or YouTube — weekdays at 12pm EDT!

The Creative License, Giving Yourself Permission to be the ...

'Creative License' captures the rebellious trajectory of the 1960s, the emergence of the counter-culture, dissent and later disillusionment. This is a case study of an era when art colleges were well funded and well free and, at Leeds, had a mission to progress the avant-garde project to the next level.
