pattern of Christ was called theosis (literally: becoming godlike or one with God), and was a very important concept for many Christians. Early Christians understood salvation not merely as escaping hell, but as a total transformation of one's being in conformity with the divine image (Eph. 4:13,15, 2 Cor. 3:18, 1 John 3:1-3).

And since Aquinas's overarching perspective is explicitly theocentric and theological, this means that considerations of human nature and human destiny must be set within the context of creation. In this light, what human nature is can only be understood in the light of what God the Creator intends as its end.
