Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

Why Do Men Have Nipples

Men can't nurse babies, so why on Earth do they have nipples? The answer has to do with how humans develop in the womb, said Ian Tattersall, a paleoanthropologist at the American Museum of Natural ...

Why Do Men Have Nipples? | Live Science

While there is a reasonable biological explanation as to why women have nipples—to feed babies—their function in men remains less clear. The Darwinian theory of natural selection would seem to dictate that male nipples serve no real purpose and, as such, should have been bred out of the human species by now.

Why Do Men Have Nipples? - Verywell Health

Men have nipples because nipples develop in the womb before embryos become distinctly male or female. So by the time a Y chromosome kicks in to distinguish a fetus as male, the nipples have ...

Men's nipples are a different story. While they don't tend to attract the same type of controversy, people have long been fascinated about why men have them. The question even made it into a ...

Why do men have nipples? - Phys.org

Andrew M. Simons, a professor of biology at Carleton University in Ottawa, Ontario, explains. Like all "why" queries, the question of why men have nipples can be addressed on many levels.

Why do men have nipples? - Scientific American

Well, a lot of guys do have sensitivity in their nipples. Just like women, playing with nipples triggers pleasure in the brain. Some even report they can reach climax simply from nipple play. "That's the part of the sexual arousal mostly in females but we do see it in many males," says Dr. Potparic says.

Why do men have nipples? 10 Facts about Men's Nipples

Male mice could be considered more highly evolved, so to speak, than human males in one anatomical regard: nipples. Whereas men develop a pair of nipples — and sometimes more — that serves little purpose other than offering topographical variety on the chest, male mice exit the womb with no such markings, their furry bellies smooth and nipple-free.

Why Do Men Have Nipples? | HowStuffWorks

Why do men, and many other male mammals, have nipples, even though they lack the milk-producing equipment that goes with them? This question intrigued Charles Darwin's grandfather Erasmus Darwin ...

Why do men have nipples? : Nature News

Social media sites like Facebook and Instagram have become notorious for flagging and removing pictures that reveal women's nipples while allowing pictures of men's nipples to remain posted. It's also illegal in many American states for women to be topless in public, and women are often shamed for breastfeeding in public even though public breastfeeding is legal in all fifty states .

The reason men have nipples - TheList.com

Why do men have nipples? During early development, just after fertilization, male and female embryos start out alike, with the same genetic material. In the first four to five weeks, nipples start to develop, but it isn't until after six or seven weeks that the sex chromosomes (XX for female or XY for male) assert any differences.

13+ Fascinating Things You Didn't Know About Men's Nipples ...

How embryos develop, evolution and sexual pleasure all help explain why men have nipples. But 'man boobs' are a different story.

Why do men have nipples? - The Conversation

Why do men and other male mammals have nipples if they don't feed their young? What's the point? "I have received more than a dozen requests to explain how evolution could possibly produce such a useless structure," evolutionary biologist Stephen Jay Gould wrote in a journal column back in 1993 .

Why Do Men Have Nipples? - ScienceAlert

My son asked me, "Why do men have nipples?" I did not have a good answer, other than they were made in the image of God.I've searched your website because I thought I had read about it before, but cannot find the article.

Why Do Men Have Nipples? | Answers in Genesis

Men have nipples for two reasons: a single chest design makes the genetic code simpler, more efficient, and less prone to error; and nipples are an aid to sexual pleasure. God's design of the human body is wise beyond imagination (Psalm 139:14).

Why do men have nipples? | GotQuestions.org

Multiple nipples are called supernumerary nipples.It's estimated that 1 in 18 people have supernumerary nipples (in fact, Mark Wahlberg has one!), but it doesn't stop there.One man had seven ...
